Bootstrap Module Assignment

Important Note: Please write comments in your codes and a thought note in a separate sheet while submitting the assignment. If comments and thought note is not present in your submission, marks will get deducted.

Write down the code to create the following output Using Bootstrap.

Tasks to complete :

1. Create a navigation bar, using nav pills or nav tabs.
2. Create the Contact us (Profiles dropdown) option in the navigation bar, which has various links to redirect to the desired page.
3. Create profile details, in card format, you can add your own colors, and add more details. (More information, borders, text over image, etc).
4. The webpage should be fully responsive.

Expected output:

Output

Home **Profiles ▾** Logout

John Abraham Profile

JA

John Abraham
